

Pet Policy – Revised (1/28/03)

The Housing Authority has approved a Pet Policy that must be upheld by every tenant that owns a pet. If you are a pet owner and become a tenant of the Olean Housing Authority you must follow all the necessary steps. We **require**:

1. You must pay a Security Deposit of \$200 in advance for a cat or dog.
2. Cats and Dogs must be spayed or neutered.
3. You must show proof that all shots are current.
4. No animal may exceed the weight limit of 20 pounds at full maturity.
5. You must receive approval from O.H.A. prior to the pet being brought into the apartment.
6. You must provide O.H.A. with 2 pictures of the pet.

Tenants are allowed to have **ONE PET**. The pet policy specifically states that prior approval by the Authority is necessary before a pet is allowed on Olean Housing Authority property.

Note: If a pet is found on Olean Housing Authority property prior to receiving Authority approval, the applicant received after the fact will be rejected.

I understand that if I become a resident of the Olean Housing Authority that I will have to comply with the above rules and regulations and will do my part to notify the Housing Authority of any changes when and if they occur.
